

STAPLEHURST PARISH COUNCIL NOTES (for November 2006)

SKATERS - Phase one of the skaters' project should by now have been completed and officially opened during half-term week. Thank you to all the local residents, businesses, County and Borough Councillors and skaters themselves who supported and contributed to the project. Phase two is being designed and funding from MBC has been brought forward to enable this to proceed within the current financial year.

SPEEDWATCH TRAINING - A number of volunteers have now been trained to use the Speedwatch equipment and have been out and about over the past weeks. Any drivers who chose to ignore the lawful speed limit have had their car registration numbers noted. Persistent offenders will have their details passed to the Police for action in due course. You have been warned! Watch Your Speed as Speedwatch Volunteers are too!

If anyone else wishes to receive Speedwatch Training, the next session will be at Chart Sutton at 10 a.m. on Saturday 11th November. Please contact the Clerk if you wish to attend or put your name down for future training events.

VILLAGE UPDATE - The Autumn 2006 edition should by now have reached every household in this parish, mainly delivered by volunteers but outlying areas by post. Thank you to all who helped to deliver this newsletter and it is hoped you found it informative. If you haven't received your copy, please contact the Parish Office to let us know. If you would like to volunteer to help deliver the next edition early in December, we would also like to hear from you.

REPORTING ONLINE - The internet is becoming an increasingly useful tool to find out about local information and also to feedback information to "the authorities". The Parish Council has had a website for many years that is regularly updated and has the Village Forum where anyone can contribute their views or information. Maidstone Borough Council has recently added an extremely useful innovation to its website whereby everyone with internet access (or use Kent Libraries' computers) can view any planning application in the Borough Area as well as report any problems or defects in the locality. Access www.digitalmaidstone.gov.uk click on "Planning Online" or "Report a Problem" and follow instructions until you reach the desired address or application that you wish to view. You can even send in your comments via the website if you wish.

Kent Highways - Call 08458 247 800 any time 24 hours a day 7 days a week to report any local highways issues, such as defects to the roads, footways, signs, drainage and street furniture, etc. Responsibility for the motorways and trunk roads are managed by the Highways Agency on 08457 50 40 30. Defects can also be reported for action via the KCC and MBC websites (there is no need to channel such reports through the Parish Office).

Even if you don't have internet at home, you can use the one at the Library - it really is very easy to do!

Maidstone Borough Highway-related services - MBC remains responsible for some highway services such as Street sweeping, street nameplates, street naming and numbering, park and ride facilities, concessionary fares and public transport matters. MBC Contact Centre to report most issues requiring attention is 01622 602162

Neighbourhood Policing Unit - PC Marc Pennicott with Community Warden, Chris Lomax and Special Constable Ken Baker, are the local visible policing presence in our Parish, with emergency back up from the force as necessary. If you witness any anti-social behaviour contact the Parish Warden, Chris Lomax on 07811 271254 or PC Marc Pennicott on 07980 770575. These are not 24/7 contact numbers so do leave a message and they will get back to you when next on duty. The Neighbourhood Policing Unit is able to assist with basic quality of life issues and nuisance behaviour, however, all urgent calls for assistance should be directed to 999 with all incident reporting to 01622 690690 or to Maidstone Police Station on 01622 690055. If criminal damage has occurred as a result of anti-social behaviour, please ensure you also report this to the Central Crime Recording Unit on 01622 650065.

Report it! Unless reports of anti-social incidents with descriptions of the offenders are made, then the police might be forgiven for thinking that no problems occur here. Do not condone the behaviour of a small number of bullies who desecrate our public areas or property with impunity. Report it on 01622 690690! If a greater number of good parishioners made reports of any anti-social incidents they witness then such annoying incidents could be dealt with quickly and positively. If you prefer, calls to Crimestoppers are free and anonymous: 0800 555 111. Life-threatening incidents, crimes in progress or serious injury Road Traffic Accident requiring urgent police attendance should be notified by dialling 999 in the usual way.

Dog Mess - Thankfully only a small minority allow their dogs to defecate in public areas without clearing up the mess. If you witness such anti-social behaviour, telephone 01622 602117 in confidence and give the Dog Wardens details of the perpetrators. Visits to problem areas can be timed to be most effective and fines imposed when the offenders are caught.

Dog Mess Disposal - RED DOG WASTE BINS are for the disposal of dog waste only. Emptied by a specialist contractor with protective equipment for this messy job, please consider those who empty ordinary litter bins and remember that LITTER BINS ARE NOT FOR DOG WASTE! **Scoopit Bags** - special red plastic bags are available free from the Parish Office or from the Town Hall in Maidstone.

Bogus Caller Initiative: Unless vigilant, elderly residents can easily become victims of doorstep traders. Bogus Caller Initiative information packs, with stickers to remind residents of good practice when dealing with doorstep callers, are available from the Parish Office or Rural Warden, Chris Lomax at Staplehurst Library. If you are unsure about anybody - don't let them in! If they are legitimate they will write you a letter or show you some identification to check out. If you think a bogus caller has called at your door, report such incidents to the police immediately on 01622 690055 and give a good description of the person and/or vehicle.

Rubbish Dumping Tip-Off Line - 01622 602162 - Use this number to report any undesirable activities such as fly-tipping, dumped cars, littering etc. and help to keep this borough and parish as clean and tidy as possible. The same number can also be used to request a "pull-out" (or rear of property) collection service for those who are unable to wheel or carry their refuse to the front boundary of their homes. Further information is available from MBC website www.maidstone.gov.uk.

Garden waste, Newspaper & Glass recycling - MBC Green Garden Sacks are available from Spuds 'n Buds or the Parish Office at £1.95 per roll of 5. Garden waste will only be collected if in the MBC printed green sacks and left beside your wheeled bin (or put in a blue-lidded wheelie bin hired from MBC specifically for garden waste). Residents may have noticed a change in the green garden refuse sacks. The bags are now made to conform to Health and Safety guidelines for the disposal of garden waste. Therefore they are now smaller in size and transparent (to ensure they have not been contaminated with anything other than garden vegetation). Further information on garden waste is available from Maidstone Borough Councils website. www.digitalmaidstone.co.uk.

For residents who have been issued with coloured boxes, NEWSPAPERS in the BLACK BOX & GLASS in the YELLOW BOX is collected on a regular basis. Please check with Maidstone Borough Council for collection dates in your road by telephoning: 01622 602162 or website at: www.maidstone.gov.uk

Bulky Collection Service and Waste Freighter - Residents with large items of household waste to dispose of, should telephone the MBC Cleansing Hotline 01622 602162 to arrange a collection. A small charge is now made for this service. Alternatively the Tovil tip and waste freighter are available for householder's use. The next visits of the Waste Freighter will be on **Sunday 5th November 0900-1000 at Poyntell Road Pond and Sunday 19th November 1400-1500 at Northdown.**
