Report	Annual General Meeting
<p>The Chairman David Ralph reported on the year's activities and crime trends. Treasurer Joan Buller presented the audited accounts. The executive committee of these two plus Secretary Rita Game were re-elected for a further year. Members present added anecdotes and information throughout the meeting.</p> <p>A social gathering followed in which Councillor and Mrs Hotson were able to join us. We also welcomed a strong turnout by the police Neighbourhood Team and PCSO Pete Gardner. This was very useful for us all to get to know each other.</p> <p>This is the first time that refreshments and a social gathering have been arranged and it was definitely a great success.</p>
